Subject: Star Line Signs

Good morning,

Star Line sightseeing tours has illegally installed their own (see attached) bus stop signs throughout the City, specially in West L.A and Hollywood area. We are aware that tour companies are in need of parking and or loading locations, but we do NOT permit any private company to install bus stops signs in the City. Please advise your staff to look out for such signs and to have these signs removed. Also please advise our section of all such locations.

Sincerely,

Keyvan Shahrouz
